

# Adoption-Sensitive Clinical Care (ASCC) Training

Designed by medical and adoption experts  
for healthcare professionals

In healthcare, **preparedness is paramount**. Just as clinicians train for rare diseases or low-frequency emergencies, adoption-competent care ensures you are ready for every patient who walks through the door.

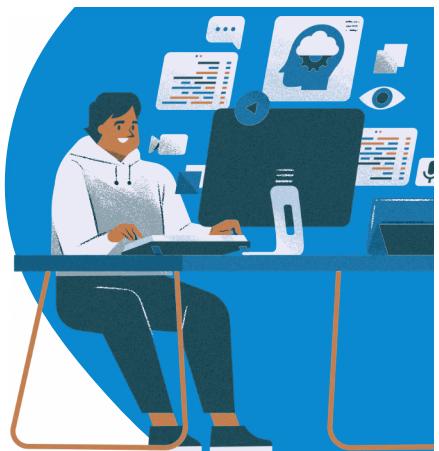

Gain tools to provide trauma-informed, ethical, and sensitive care to patients facing unintended pregnancies and considering adoption.

ASCC offers:

- Asynchronous trainings from 1.5 to 6.5 hours long
  - choose what works best for your busy schedule
- FREE CME and Social Work CE credits
- A national, evidence-based curriculum & resources

**Scan the QR code above to get started.**

This project is supported by the Administration for Children and Families (ACF) of the United States (U.S.) Department of Health and Human Services (HHS) as part of a financial assistance award totaling \$1,000,000 with 100 percent funded by ACF/HHS.
