

ADOPTION-SENSITIVE CLINICAL CARE

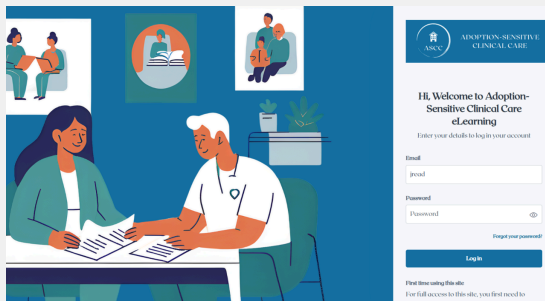

Now Live: ASCC Train-the-Trainer Online Module!

The Adoption-Sensitive Clinical Care (ASCC) Project Team is excited to announce the launch of our online Train-the-Trainer module for the Understanding Infant Adoption 7 (UIA 7) curriculum!

Register for the Online TTT

Follow the steps below to access the new TTT module and get started:

1. Log in to the ASCC training portal.

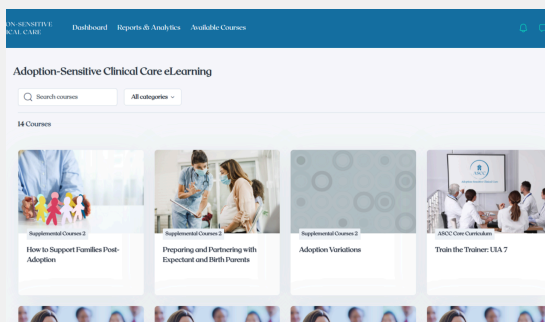

You may need to create an account first. It's free to sign up!

[Training Portal](#)

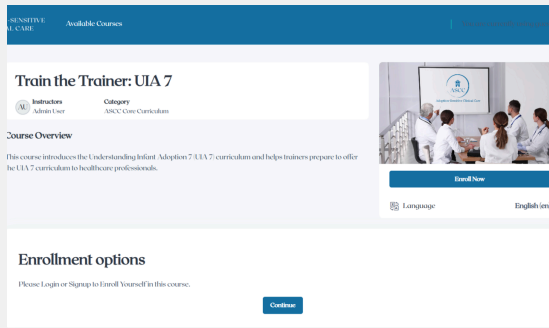

2. Click on "Available Courses for Enrollment."

This will take you to all available courses in the ASCC training portal. All courses are free and self-paced.

3. Find the course labeled "Train the Trainer: UIA 7." Click "View Course."

You may need to hover over the course tile for the "View Course" option to appear.

4. Click on "Enroll Now" and get started!

If you don't have time to start or finish the entire course, it's no problem! This course and any others you enroll in will be added to your dashboard, and you can come back later to finish.

What It Is...and What It's Not

The online Train-the-Trainer module IS:

- An introduction to the ASCC project and the Understanding Infant Adoption 7 (UIA 7) curriculum.
- A tour through the UIA 7 curriculum topics, available training materials, and specific training strategies for this content.
- A review of key differences between UIA 7 and the previous version of the curriculum, UIA 6.
- A facilitated opportunity for trainers to reflect on how to best engage their particular healthcare audience in the UIA 7 content.
- A guide to help future trainers assess their own readiness to train on the UIA 7 curriculum.

The online Train-the-Trainer module IS NOT:

- A full UIA 7 training. In fact, in order to begin the Train-the-Trainer module, it is required that you have taken the 2.5-hour, 4.5-hour, or 6.5-hour UIA 7 online course first to ensure that TTT participants are coming in with background knowledge on the curriculum content.

Get a Sneak Peek

Trainers have access to a variety of materials, each designed to fulfill a specific function in the training process. Expand each section below to learn more about the structure, purpose, and features of these core resources.

Want to help shape the future of pregnancy options counseling training?

The Adoption-Sensitive Clinical Care project team is seeking insights to help improve clinical training and resources regarding the adoption option. If you provide pregnancy options counseling in any setting, please consider taking 10-15 minutes to complete this survey!

If you know of someone or an agency that provides options counseling, please consider sharing this with them as well.

⚠ Important: Please share this survey via email only. Do not post the survey link or QR code on social media or websites, as public links are frequently targeted by bots.

Take Survey

This project is supported by the Administration for Children and Families (ACF) of the United States (U.S.) Department of Health and Human Services (HHS) as part of a financial assistance award totaling \$1,000,000 with 100 percent funded by ACF/HHS. The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by ACF/HHS, or the U.S. Government.
